Feather Touch Collection

The Kerlic Feather Touch Collection features a smooth matte surface with a soft, refined feel. Designed for modern interiors, these finishes create a calm, elegant, and low-reflection appearance across wardrobes, kitchens, furniture, workstations, and contemporary joinery applications. Its gentle surface character adds comfort, visual depth, and a premium touch to everyday interior spaces.

Metal Collection

The Kerlic Brushed Metal Collection brings a bold and contemporary character to interior spaces with refined metallic textures and a sophisticated surface appearance. Designed to create a modern visual impact, these finishes combine the elegance of metal with the practicality of laminate surfaces. Suitable for furniture, feature walls, wardrobes, retail interiors, and commercial applications, the collection adds depth, style, and a distinctive premium feel to every space.

Fabric Collection

The Kerlic Fabric Collection brings the warmth and softness of textile-inspired surfaces into modern interiors. Featuring subtle patterns and refined textures, these designs create a balanced and sophisticated appearance while adding depth and character to spaces. Designed for both aesthetics and functionality, the collection is suitable for furniture, wardrobes, wall panels, workspaces, and contemporary interior applications.

Stone & Marble Collection

The Kerlic Stone & Marble Collection captures the timeless beauty of natural stone with refined textures and contemporary aesthetics. Inspired by marble, concrete, and natural mineral surfaces, these designs bring depth, elegance, and a luxurious character to interior spaces. Combining visual richness with everyday practicality, the collection is suitable for furniture, wall panels, kitchens, retail interiors, and modern architectural applications.

Wood Collection

The Kerlic Wood Collection brings the warmth and authenticity of natural wood into contemporary interiors through carefully crafted grains, textures, and rich tones. Inspired by the beauty of nature, the collection combines timeless character with modern design aesthetics, creating surfaces that feel both elegant and inviting. From soft natural shades to deeper wood textures, the collection is designed to enhance furniture, wardrobes, wall panels, kitchens, retail interiors, and commercial spaces with a refined and enduring appeal.

Vibrant Colour Collection

The Kerlic Vibrant Colour Collection brings bold character and creative energy to modern interiors. Designed for statement furniture, wardrobes, feature panels, workspaces, and decorative applications, these solid colour finishes add personality, contrast, and a fresh visual impact while maintaining a clean and refined surface appearance.

The Finishing Touch

Kerlic is created for interiors that demand style, quality, and lasting visual appeal. From elegant wood grains to refined textures, solid colours, metallic finishes, and contemporary surfaces, every collection is designed to support modern furniture, joinery, wall panels, kitchens, wardrobes, and commercial spaces. With a focus on practical beauty and premium finishing, Kerlic helps transform every interior into a complete and refined space.
